Dear Sir or Madam

NOTIFICATION OF WATERPROOFING WORKS
M1 West Meadow Viaduct and Diseworth Long Whatton Bridge

I am writing to let you know that we will be carrying out essential renewal works to the waterproofing system across West Meadow Viaduct and Diseworth Long Whatton Bridge, located between junction 23a and junction 23 on the M1 southbound carriageway.

During our scheme of work, we will:

- plane off the existing carriageway surface
- remove and replace the existing waterproofing system
- resurface the carriageway

Once completed, our works will prevent water leaking onto the bridge decks, which in turn will protect the structures.

How will the work affect traffic?

To maintain a safe environment for our workforce and customers, we will put in place two full weekend closures on the M1 southbound carriageway from junction 23a to junction 23. We will work:

- from **10pm Friday 1 May 2020** to **6am Monday 4 May 2020**.
- from **10pm Friday 15 May 2020** to **6am Monday 18 May 2020**.

During this road closure fully signed diversion routes will be in place.

Please note that all our planned roadworks may be subject to change due to weather conditions or unforeseen circumstances.

Contact us

If you have any questions about this work, please contact our **Public Liaison Officer**, Leanne Gibson, as follows:

- Email: EMADcomms@kier.co.uk
- Telephone: 07768 796542

Alternatively, you can contact our Highways England Customer Contact Centre as follows:

- Email: info@highwaysengland.co.uk
- Telephone: 0300 123 5000

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'S. Long', is positioned above the typed name.
